Re: Dover Limited v. Alain Assami, et.al 08 CV 1337

Attn: Hon. Laura T. Swain

NEUTRAL COUNSEL

Comments:

Hon. Judge Swain: A Rule 26 conference is scheduled in the referenced matter for May 2, 2008. I request the court's permission to conduct the Rule 26 conference by telephone as I am presently in North Carolina. Plaintiff's counsel has consented as we are seriously discussing a settlement of this matter. I have not filed an answer and currently have outstanding motions to dismiss certain causes of action pursuant to Rule 12(b)(6) and for a more definite statement for still other causes of action herein pursuant to Rule 12(e). I have asked all counsel for such consent in this matter. Plaintiff's counsel Mr. Mullane at this point is the only attorney that has responded to my request. Therefore, due to the short time before the scheduled conference and that plaintiff and Defendants Morrow will most likely settle this matter in short order, I hereby submit this letter requesting that I be allowed to conduct the Rule 26 conference by telephone.

Respectfully submitted,

TJ Morrow, Pro Se
For Defendants Morrow

The request is granted. Mr. Morrow may appear on his own behalf by telephone. Mr. Morrow must call the Courtroom Deputy, Mr. Ng, by 12pm noon on 5/2/08 to make arrangements. She can be reached
